That Tired Feeling.

If you are languid, depressed and incapable for work, it indicates that your liver is out of order. Herbine will assist nature to throw off headaches, rheumatism and ailments akin to nervousness and restore the energies and vitality of sound and perfect health. J. J. Hubbard, Temple, Texas, writes, March 22, 1902: "I have used Herbine for the past two years. It has done me more good than all the doctors. When I feel bad and have that tired feeling, I take a dose of Herbine. It is the best medicine ever made for chills and fever." 50c a bottle. Sold by City Drug Store.

There was a prize fight in this locality last Friday. Boys if you want to have prize fights you must learn to use boxing gloves instead of fence rails.

We believe if all the patrons along our route would follow L. G. Porter's example they would be more than pleased with the results, in fact we know the carrier would be. When the roads get rough and cut up Mr. Porter and his son-in-law Jim Hunter drag the road along their farm. Then when it rains the water drains off instead of standing in the ruts. That is the best piece of road to be found along the route.

Dillon District.

ED. TRIBUNE:—As I have not seen any items from this section, I concluded to give you some idea of the political census of the Dillon and Lincoln district, as the vote would stand in the two jointly giving to the democrats the populists, socialists and doubtfuls, and if some one would do the same in all of the school districts in the county we would know very close the result of the next election, provided all voted a straight party vote on county ticket, which will not be done. The two would give this result: republicans 37, democrats 28. Now this estimate, if every man votes, will not vary two votes, and is liable to be to the republicans interest.

Very wet down here, oats looking well, wheat little light, corn generally late, some very weedy, some not yet planted.

Health generally good. One old soldier in Lincoln district, Absolom Baken, has been confined to his bed for some three months the result of his army service. Still it hurts a certain class to think he gets \$30 pension and is totally disabled. His wife has to be constantly with him when they are alone. Neighbors are good to him.

I am not going to tell who has been visiting and who has had parties. So here goes for the waste basket. A REPUBLICAN.

Cures Old Sores.

Westmoreland, Kans., May 5, 1902. Ballard's Snow Liniment Co.: Your Snow Liniment cured an old sore on the side of my chin that was supposed to be a cancer. The sore was stubborn and would not yield to treatment, until I tried Snow Liniment, which did the work in short order. My sister, Mrs. Sophia J. Carson, Allensville, Minn. Co., Pa., has a sore and mistrusts that it is a cancer. Please send her a 50c bottle. Sold by City Drug Store.

The Songs I Sing.

My songs, if neither great nor loud,
Nor any portion of them sweet,
Or if they still must ever be proud,
If they but your approval meet.
My songs for ages may not live,
To be repeated far and wide;
If they to you one joy but give,
In them I ever must take pride.

My songs may never have a place
With those that so the world delight;
If in them you some merit trace,
I ask for them no greater right.
The songs I sing may power lack
Mid famous songs to hold their part,
And yet I would not sell them back,
If only one has touched your heart.

MONTGOMERY CITY, MO.

Cause and Effect.

It is said that Dr. Weir Mitchell, returning late from a party in a neighboring city once, awakened his sister to tell her what he thought was too good to keep till morning. A lady had been introduced to him, and, considering him a scientific man, wished to direct her conversation accordingly. "Doctor," said she, "don't you think the cause of so much sickness is the want of ozonoid in the air?"

Ayer's

Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair

cannot keep from growing. And gradually all the dark, rich color of early life comes back to gray hair.

"When I first used Ayer's Hair Vigor my hair was about all gray. But now it is a rich black, and as thick as I could wish." — MRS. SUSAN KLOFFENSTEIN, Tusculum, Ala.
